Water Service.)	ORDER NO. 5523c

ORDER SUSTAINING IN PART AND OVERRULING IN PART
THE OBJECTIONS OF THE CITY OF GREAT FALLS TO
THE DATA REQUESTS OF FEDERAL EXECUTIVE AGENCIES

On January 4, 1990, pursuant to the procedural order established for Docket No. 90.10.67, Federal Executive Agencies (FEA) timely submitted data requests to the City of Great Falls (City). The City filed objections to said data requests with the Commission on January 11, 1990. The Commission hereby makes the following rulings on said objections:

The Commission sustains the City's objection to FEA Data Requests 6, 16, 20, 22, 32 and 34.

The Commission overrules the City's objections to FEA Data Requests 25, 27, 28, 29, 30.

In regard to FEA Data Requests 29 the Commission reminds all parties that responses to data requests must be served on all parties appearing on the service list. To

the extent that the City has failed to serve its responses on FEA, the City's objections are overruled.

In regard to FEA Data Requests 27 and 28, the City's objection based on burden and expense is overruled on the condition that FEA pay all costs associated with responding to the request, including copying and distributing the requested materials to all parties on the service list. However, consistent with our rulings in Orders 5522b and 5523b that required the City to provide an opportunity for inspection, service will not be required on those parties located in the Great Falls area.

DONE AND DATED THIS 22nd day of January, 1991 by a vote of 4 - 0.
